Sir Edmund was given command of the home force. which must defend Britain from invasion.

REYNAUD VISITS CHURCHILL

French Premier Paul Reynaud went to London Sunday for a council of war with British Prime Minister Winston Churchill and other members of the British war cabinet,

Claiming that Allied armies were holding their own in their desperate effort to cut through the Nazi corridor to the sea, a French war ministry spokesman declared that for forty-eight hours Germans have gained no new ground.

Sunday morning, he said, German troops were repulsed when they hurled two strong attacks against Valenciennes and the area around that important industrial city near the Belgian border. The fighting continued without letup

A German communique acknowledged that the Allies were offering "tough opposition at different times" but declared the battleground in the north was narrowing continually as the Germans continued "a concentric attack on the entire front against hemmed in enemy armies in Flanders and Artois.

Posters Ask Intervention

New posters demanding Italian intervention in the war appeared tonight on Rome's walls beside the rash of anti-Allied sentiments pasted up in the Last fortnight.

Il Duce went to the gymnastic exhibition after conferring with his military chiefs and arms producers on war preparations.

The conferences were attended by the army chief of staff. Marshall Rudolfo Graziani and undersecretary for war. General Ubaldo Soddu. but the chief of staff of all the armed forces. Marshal Pietro Badoglio, was absent.

Meanwhile, Sir Wilfred Greene, British economic expert who has been conducting negotiations with the object of appeasing Italian indignation at British contraband control, left Rome.

Contrary to previous Italian reports that the negotiations had been a failure. British quarters said they went well, that supplementary con-

effect last September but later mod- and abuses which had made our development of quick mass trans- and east have been cut and sup- ed back a series of high-powered sieging a German garrison, but inified to permit private vehicles to society weak." BARCLAY ON BRIDGE

By Shepard Barclay

"The Authority on Authorities" EARLY INFORMATION THERE ARE two great advan-

tages in the new Barclay convention for slam bidding. Since it kings being explored. makes possible the exchange of a great deal of information at low Partner 2 4 3 4 4 levels, it enables you to sign off lower than when using some other conventions and also gives you a chance to exchange still more in-formation when you proceed to high levels. This is because the ace-asking bid is not the 4-No Trumps to which many have be-With diamonds agreed upon, come used, but the very lowest possible bid with no natural mean ing after the side has indicated the declaration it prefers. Dealer 1 & 3 & 3 NT 7 NT Partner 2 & 3 V 4 A

not voluntarily raise an original major suit without at least four cards, the 2-Spades establishes a declaration for the side. Since 2-No Trumps then by dealer might indicate an alternative possible declaration with stoppers in all suits, 3-Clubs is the slam call. Partner would show no ace with 3-Diamonds, so his 3-Hearts dis-closes one. Notice that Dealer now could sign off at 3-Spades. Since he didn't bid 2-No Trumps on his second turn, the 3-No Trumps is not a genuine bid, but his asker about kings. Partner's 4-Clubs would show none, 4-Diamonds one, 4-Hearts two and 4-Spades three, which he shows. Note that this is not a sign-off; only the asker can sign off. When partner has shown three kings and the missing ace, dealer goes to grand slam in No Trumps.

Granting that the partners do
